disqualifying faults (see AKC standards). In the event the puppy does not conform to the AKC standards then this puppy will be replaced with another after return of the first puppy. We will not guarantee that the show quality puppy will be a champion. This guarantee is for the puppy being purchased not for any offspring that this puppy would produce at a later date.

There is a \$150.00 nonrefundable deposit required to hold the puppy. If for some reason, you cannot get the puppy or change your mind, you will lose the total deposit you put down. If you put a deposit down on a puppy requesting a certain color or sex, it can not be guaranteed until the birth of the puppy. If the puppy is being shipped, the balance has to be paid in full when the puppy reaches 6 weeks of age.

The new owners pay for all shipping as well as a shipping carrier and a health certificate. There will be an extra \$25.00 charge for delivery of this puppy to the airport which is an hour away. You can pick an airline of your choice, or we will pick one for you. Counter to counter is the best way to fly your new puppy to you. The puppy is taken to the airport and is carried on by an employee. At the destination the puppy will be carried to the airline office where he or she can be picked up.

The breeder is NOT responsible for any vet bills the purchaser may incur regarding said puppy.

The breeder is NOT responsible for any shipping fees, crates, and health certificate needed to deliver puppy safely.

The contract is null and void if:

1. The dog is not current on his/her shots.
2. The dog is bred, sold or put to sleep without prior consent of the breeder or if I am not contacted within 24 hours if a problem occurs.
3. The puppy is not taken to a licensed veterinarian within 72 hours for an exam.
4. The puppy of his/her offspring's are sold to pet stores, pet brokers, puppy mills, auctions or any other undesirable prospects.

Buyer also agrees not to have the said dog chained outside. We love all of our dogs and have worked very hard to produce the quality of pups that we have. All of our dogs are a part of the family and we expect the same for their progeny.
